Have you ever tried a different type/variety? ■ Yes ■ No If yes, what happened?
ND

D. Production tracking (per season)

How many harvest seasons do you have each year? ■ One ■ Two (main + minor) ■ Other
ONE

■ For the last season: how much did you harvest? (kg/bags/basins):
16 BAGS

■ Harvest period (months): 3 MONTHS FROM MAY TO ~~AGU~~ AUGUST

Compared to a normal season, the yield was: ■ Low ■ Normal ■ High

Main factors affecting yield: ■ Rain ■ Pests/disease ■ Fertilizer ■ Labor ■ Price ■ Other _____

E. Inputs and seedling distribution

Have you received inputs/support (seedlings, fertilizer, pesticides)? ■ Yes ■ No

If yes: input type(s): ■ Seedlings ■ Fertilizer ■ Pesticide ■ Tools ■ Other _____

■ Quantity received: _____

■ Date received (approx): _____

■ Which farm received the inputs? _____

Were the inputs enough for your farm size? ■ Yes ■ No If no, what quantity would you need?
_____

Source of inputs: ■ Ministry ■ UCDA ■ NGO ■ Cooperative ■ Other _____

F. Extension services and farm visits

Do you have an extension worker you contact? ■ Yes ■ No

How do you contact them? ■ Phone ■ In-person ■ Group meetings ■ Other _____

How often do they visit? ■ Weekly ■ Monthly ■ Rarely ■ Never

■ Date of last visit (if any): _____

■ Advice given (short notes): _____

■ Follow-up date planned (if any): _____

How helpful is the extension support? ■ Not helpful ■ Somewhat ■ Helpful ■ Very helpful

G. Management level (for classification)

■ Which best describes your current management level?

■ Traditional (minimal inputs, basic practices)

■ Improved (some good practices and some inputs)

■ Recommended (follows best practices consistently)
